

GERMAN-AMERICAN MEN'S CLUB OF MIDDLE FRANCONIA

To: The Members of the Club

22. September 2011

Dear Friends,

In spite of the cold weather on 27 August we gathered in the cozy arbor of the Friemelts, where Uli and Norbert had prepared excellent food (Bratwürste, Hamburger and Chili) and drinks. Thank you to our hosts!

We are happy to announce a new event for November, which has not yet been listed in our newsletter. We are aware that this happens on short notice, but visiting the

Armed Forces Network (AFN)

Television & Radio Studios

on Wednesday,

30. November 2011,

at Vilseck

meeting point at the Südlager Gate at **09:30h**

is a very rare opportunity and we have decided to go for it! The AFN-tour itself will be free. It is possible to have **lunch at an American dining facility** afterwards (At your expense! Please bring U.S.\$ 5 for buffet). AFN has limited the number of participants to 20. Therefore we are planning the trip with **private cars, possibly, where appropriate, with car-pooling.**

The trip is being organized by our boardmember Marco Frömter.
