

## GERMAN-AMERICAN MEN'S CLUB OF MIDDLE FRANCONIA

To: The Members of the Club

18. September 2013

Dear Friends,

A week of rainy day after a sunny August reminds us that the summer break is over. After intensive research of our Board member Norbert Friemelt, the board has decided over details of our next event, the traditional

### Franconian Winetour

on Saturday, **19. October 2013** 11:15 h

departure from **Fürth – Stadeln**, Festplatz,  
corner Herboldshofer Str. and Bayernstraße.

The tour will contain two attractions: First we will tour at **Abtswind** an unusual museum on herbs. It is actually the largest privately owned Herb-museum in the world! In a 400 years old barn, we will make discoveries for ourselves on history and traditions of all kinds of herbs.

The second highlight is a wine tasting session with a Häckerbrotzeit in the lovely town of **Zeilitheim**. This will also give us the possibility of an extensive get-together.

The schedule is as follows:
